Pre-Assembled and Custom Service Kits

Polar Wire’s refillable Service Kits are a convenient way to keep small parts stocked and ready for use. You’ll have the part you need, when you need it.

Choose from our wide range of preassembled kits in three container sizes—or design your own custom kit from our extensive inventory of parts, and we’ll put it together for you. Our drawer satchel and clear container storage systems can be configured and filled with exactly what you need to keep your projects and processes supplied.
